CALL FOR AN EXPRESSION OF INTEREST

Global Eye AUSTRALIA is calling for expressions of interest for:

Overview

- A 12-month period
- In tune with existing Global Eye projects to collect, analyse and synthesis complex and relevant data on transnational networks and selected POIs
- Prepare and present viable solutions to disrupt networks using law enforcement or other relevant methodologies

Exact requirements, budgets and project needs will be discussed with successful EOI applicants. Each EOI applicant will be fully vetted and assessed against their references and GE networks.

Conditions:

The Expression of Interest must outline past company experience and company relevance to the problem of wildlife trafficking

Commit to working with other companies in the GE partnership, and attending in-person operational planning sessions with existing partnership companies at GE locations in Australia

To submit an EOI please send maximum 1-page overview of your company and how your company will meet the conditions above to:
